

# PERFORMANCE OPPORTUNITIES

## STUDENT CREATIONS

An opportunity to gain performance experience, without the pressure of a large audience or having to meet any specific "criteria".

Student Creations is a performance space for PERFORMERS ONLY! If you have a minimum of 30 seconds of choreography to perform you can attend. It is the perfect opportunity to step out of your comfort zone, be it your first ever performance, or a style you are not used to.

You can perform whatever you like: Freestyle, doubles, groups or solo. On or off the pole. Spinning or Static. You select your pole and configuration.

Open to APF members only and sign up is available via our Member's Only Facebook Group.

Event Cost: Free

## KISS IT

Get the taste of a competition in the safety of the studio! This event is set up EXACTLY how an external competition would run. Video entries are required, and, on the night, you will be judged against the criteria relevant to your category. Best of all, THERE WILL BE SASHES for the winners! Divisions available for entry: Beginner, Intermediate A, Intermediate B, Advanced, Showgirl A, Showgirl B and Performers.

Competitors are required to use our "competition poles", with one on static and the other on spin, or both poles spinning for doubles/groups.

The set up resembles a real competition. There is stage sound and lighting, a professional photographer and videographer. This event is also livestreamed.

Event Costs: Competition preparation costs, photography costs and cost for viewers to attend or watch via livestream.

## SHOWNIGHT

Shownight is held annually and is an opportunity for you to show your family and friends what you have been working hard on in the studio. Every series has the opportunity to perform Choreo they have been working on in class, PLUS speciality workshops opportunities.

This event is always inspiring, as you see performances all the way from Beginner 1 to Advanced 2! There is stage lighting, sound, a professional photographer and videographer. For those who can't attend in studio, there will be a livestream, so you don't miss any of the action.

Event Cost: Everyone who attends must purchase a ticket, which includes snacks, water and soft drink, video of performances and photography from the night.

# PERFORMANCE OPPORTUNITIES

## OPEN DAY

Open Day is an opportunity to showcase the studio to the public! We offer FREE classes and up to 6 opportunities to perform on the day. The purpose is to showcase what our students learn in class and what is possible if you start pole dancing. Performances can be series class choreos, your own creation or even a small group creation.

Event Cost: Free

## STUDENT SHOWCASE

The ultimate opportunity to create your own performance, without the pressure of competing AND with limited restrictions. You have the opportunity to use up to 4 poles, with a configuration of your choice. We find many student use this as an opportunity to prepare for competitions or even just to perform, without the pressure of judging. The application process will require you to share your concept for the night in detail.

The set up resembles Kiss It. There is stage sound and lighting, a professional photographer and videographer. This event will be live-streamed.

Event Costs: Performance preparation costs, photography costs and cost for viewers to attend or view via livestream.
